Aurobindo Pharma Malta

E: hrmalta@aurobindo.com

Aurobindo Pharma Ltd. is Asia's largest pharmaceutical company and among the major 'vertically integrated' manufacturers in India, exporting to over 125 countries across the globe.

Aurobindo Pharma Ltd. Malta is the gateway for Aurobindo's pharmaceutical products in Europe. In 2018 we are celebrating our 10th year in operation. As we continue to grow, we are always on the lookout for highly motivated professional individuals with a strong work ethic to join our existing team.

Laboratory Technician

The role of the Pharmaceutical Laboratory Technician is to support the quality control analysts. A Laboratory Technician at Aurobindo maintains laboratory records, assists the quality control analyst in analysis and maintains the general laboratory facilities and supplies. You will also have the responsibility to maintain the safety and cleanliness of the laboratories.

The position requires:

- A Diploma in Applied Science
- Good IT skills e.g. Microsoft Office (Word, Excel and Outlook)
- You need to be a credible and confident communicator in English (written and spoken)
- Ability to achieve and maintain high standards
- Meticulous, Attention to detail
- Good planning, organizational and time management skills
- Dexterity to work accurately in a busy and demanding environment

Quality Control Analyst – Chemistry / Microbiology

As a Quality Control Analyst working in our Chemistry or Microbiology laboratories you will be a professional using your analytical skills to measure the quality of medicinal products prior to use. At Aurobindo, we require individuals who are dynamic, resilient and flexible; who are also self-motivated, team players and possess the ability to work proactively and a commitment to learning and development.

The position requires:

- A Degree in a Natural Science / Advanced Diploma in Applied Science
- Good IT skills e.g. Microsoft Office (Word, Excel and Outlook)
- You need to be a credible and confident communicator in English (written and spoken)
- Analytical and problem-solving skills
- Meticulous, Attention to detail
- Good planning, organizational and time management skills
- Dexterity to work accurately in a busy and demanding environment
- The ability to work to strict deadline

Quality Assurance Officer

Quality Assurance is a crucial part for every organisation who is involved in the manufacturing of medicinal products. As a Quality Assurance Officer at Aurobindo, you will be responsible for determining and establishing quality standards related to our products. Whether you are working in a team or individually you will need to ensure the quality standards of the company are being met. You will also be responsible for making sure that other employees are meeting these same standards.

The position requires:

- A Degree in Pharmacy, Pharmaceutical Science or Natural Science
- Good IT skills e.g. Microsoft Office (Word, Excel and Outlook)
- You need to be a credible and confident communicator in English (written and spoken)
- Analytical and problem-solving skills
- Meticulous, Attention to detail
- The ability to work to strict deadlines
- The ability to evaluate scientific data

Regulatory Affairs Officer

A Regulatory Affairs Officer ensures that Aurobindo's products are appropriately licensed, produced, tested and marketed. The Regulatory Affairs Officer is also responsible to ensure that the company's activities are kept up to date with changes in regulatory legislation and guidelines. Without this expertise, products would not pass regulations set by regulatory bodies, such as the Malta Medicines Authority, and therefore we would not be able to buy any medicines.

The position requires:

- A Degree in Pharmacy or Pharmaceutical Science
- Good IT skills e.g. Microsoft Office (Word, Excel and Outlook)
- You need to be a credible and confident communicator in English (written and spoken)
- The ability to grasp new concepts quickly and to evaluate scientific data
- Analytical and problem-solving skills
- Meticulous, Attention to detail
- Strong negotiation skills
- The ability to work to strict deadlines
